

Equal Opportunities and Diversity Policy

ABIS Holdings Energy Services Ltd recognises the benefits of a diverse workforce and is committed to providing a working environment that is free from discrimination.

The Company will seek to promote the principles of equality and diversity in all its dealings with employees, workers, job applicants, clients, customers, suppliers, contractors, recruitment agencies and the public.

All employees and contractors who act on the Company's behalf are required to adhere to this policy when undertaking their duties or when representing the Company in any other guise.

Unlawful discrimination of any kind in the working environment will not be tolerated and the Company will take all necessary action to prevent its occurrence.

Specifically, the Company aims to ensure that no employee or job applicant is subject to unlawful discrimination, either directly or indirectly, on the grounds of gender, race (including colour, nationality and ethnic origin), disability, sexual orientation, marital status, part-time status, age, religion or belief. This commitment applies to all aspects of employment, including:

- recruitment and selection, including advertisements, job descriptions, interview and selection procedures
- training
- promotion and career-development opportunities
- terms and conditions of employment, and access to employment-related benefits and facilities
- grievance handling and the application of disciplinary procedures
- selection for redundancy

Equal opportunities practice is developing constantly as social attitudes and legislation change. The Company will review all policies and implement necessary changes where these could improve equality of opportunity.

While positive measures may be taken to encourage under-represented groups to apply for employment opportunities, recruitment or promotion to all jobs will be based solely on merit.

All employees will have equal access to training and other career-development opportunities appropriate to their experience and abilities.

However, the Company will take appropriate positive action measures (as permitted by equal opportunities legislation) to provide specialist training and support for groups that are under-represented in the workforce and encourage them to take up training and career-development opportunities.

The Company will treat seriously all complaints of discrimination made by employees, clients, customers, suppliers, contractors or other third parties and will take action where appropriate.

Allegations regarding potential breaches of this policy will be treated in confidence and investigated thoroughly.
