

ABIS Brand Investment

ABIS call for an increase in the equity base.

To capitalise on our long-term potential, to continue to invest in the brand and undertake future capital projects, ABIS requires a significant increase in its equity base.

Over the recent past ABIS has diversified, enhanced inhouse expertise, incorporated ABIS Guyana, established joint venture operations in DMCC Dubai, Commodity Trading.

Our partnership with UK based College Green Group, located at Westminster the heart of UK decision making, brings expertise in the crafting and implementing of brand narratives influencing the political connections that effect change. <https://www.collegegreengroup.com/>

In 2023 ABIS MD F J Kiernan joined Barristers Chambers Guernica 37 Middle Temple London. <https://www.guernica37.com/g37-group>

Working with Chambers and international partners, building on a mix of existing legal expertise supported by economics, technical and environmental science in what is the global impact of Climate Change.

The ABIS Brand is well placed, a global network, connections with decision makers UK, EU, US, in the Global South with Sub Saharan Africa. That combined with accrued goodwill makes ABIS a Premium Brand.
